

Due to the ongoing COVID-19 Pandemic the Town of Paris will be changing the way in which we conduct our annual Free Coat Drive. Unfortunately, we are unable to have residents come in and browse the Coat selection, per usual. This year we will provide this form that will allow residents to request the number of coats for people in their household (we ask that residents only request one coat per household member). This form will also include a section to provide information regarding the sex, size, and color preference for the coats. The Town of Paris will try our best to meet the needs of all requests, but coats will be distributed on a first come, first served basis. The Town of Paris will notify you if we run out of coats in your specified size. Once we receive request forms we will notify you of a time and date to pick up your coats. We thank you for your cooperation while we try to provide coats in a different and safe manner!
